2012 APRIL

April meeting held at the home of Phil Driscoll.

Monday, April 09, 2012, 7:30pm, the Monks & Friars met at the home of Phil Driscoll, in Clinton, MI. Members attending were; Ray Smith, Van Nazarian, Dave Jasmund, Jim Johnston, Ralph Rinaldi, John Benson and our Host this evening was Phil Driscoll.

The April Order of Business...

We discussed the final move of Stan's printing equipment, the proof press, which was moved to Lee's warehouse in Detroit.

We should make an effort to inventory the printing equipment that is in the garage by Mark's house and in Lee's warehouse. We will then know what is there. At some point we will have to move the equipment to a final spot.

The Greenmead print shop was brought up, as a possible home for some of the equipment, "on-loan" from the Monks & Friars, but Greenmead has not made much progress to get the print shop in order.

Ralph Rinaldi reported on the potential of a field trip to Hayes

Grinding. We will NOT be able to take this trip thru Hayes Grinding, because the shop is not open to the public for safety reasons.

Bob Murphy suggested we have a rooth birthday party dinner in memory of Stan Cousins.

It was suggested that we add the web site address to the Colophon.

We still need to work on an exhibit of Letterpress printing for public display.

Ralph Rinaldi & I are to check out the Scarab Club. John Benson may have a contact that could help.

NOTE: Calendar Reminders:
