went back home to print the three calendar pages for our 2015 Calendar. Special Kudos to Lauri for the extra effort. Beautiful pages, by-the-way.

The M&F should be assembling a Letterpress show to promote the art of letterpress printing. Toni Berci might have a contact that could help us. John Benson checked with the Scarab Club, but they do not recognize letterpress printing as an art form.

Ralph Rinaldi will be assembling the history of the Monks & Friars and prepare a form of presentation that will be used to help promote our club and the art of letterpress printing.

We discussed the possibility of our club visiting printing museums, even via a bus trip.
